SERVING BEDFORD, CAMBRIA, SOMERSET, AND INDIANA COUNTIES

ICTC Heidi Allison Character Award Application

PURPOSE: This fund was created in memory of Heidi Allison, a Health Occupations Instructor at Indiana County Technology Center. Heidi touched countless hearts, and had an especially profound impact on her students. Heidi will long be remembered for nurturing young lives into adulthood through kindness, compassion, integrity and respect, exemplifying the foundational attributes that enhance student success in the classroom and beyond. Each year a graduating senior from ICTC will be awarded the Heidi Allison Character Award to recognize and affirm the importance of these basic traits to a productive and fulfilling life, whether it involves advancing one's education, entering the workforce or contributing to one's community. The goal of this fund is to provide meaningful support to help launch an ICTC student in the next phase of his or her life.

PROCESS: Students will be notified by ICTC leadership when the award application will be available for completion. Completed applications will be collected by the Program Instructors. Program Instructors will provide the initial review and forward qualified applications to the ICTC Administrative Office. The ICTC Review Committee will identify the top three candidates. Award Recipient will be selected via a random drawing during the In-House ICTC Award Ceremony in May.
